light wine

2010

## **cabernet sauvignon**

*Premium light wine with less alcohol and fewer calories.  
Great taste! Perfect for any occasion!*

### **The Wine**

100% premium winemaking combines classic winemaking techniques and state of the art technology, creating a wine with beautiful aromas and flavors and less alcohol and fewer calories. Delightful bright berry flavors marry with vanilla spice and a hint of oak make this Cabernet Sauvignon the perfect choice to serve as an apéritif or to pair with your favorite dishes. Delicious wine for any occasion.

### **The Vintage**

The 2010 growing season was long and cool allowing for great fruit flavors to develop. The warm up at the end of the season was perfect for fully ripened grapes.

### **Wine Information**
